1 April 1970

MEMORANDUM FOR: Chief, EPD

SUBJECT : "Where's What"

1. Please note the attached comments of the Deputy Director of Security which state, in effect, we should attempt to declassify the book of [REDACTED]

25X1A9A

2. In order to accomplish the declassification process, it is suggested that [REDACTED] be contacted to determine which portions of the book are classified and which contributors were assured that the publication would bear a classification.

25X1A9A

3. Inasmuch as this may be a time consuming procedure, it is further suggested that an interim reply be addressed to the LEAA which will explain what we are attempting to accomplish.
